

# Hub Newsletter

SUMMER 2021

DELIVERING HIGH-QUALITY TEACHER TRAINING AND DEVELOPMENT ACROSS RYEDALE, SCARBOROUGH AND YORK

I hope this newsletter finds you well and that you and your students have had a positive end to the term.

I want to thank you for all of your support since we were designated as the Teaching School Hub for the Ryedale, Scarborough and York region. We have enjoyed meeting so many of you during the summer term and we look forward to meeting many more of you in the future.

Since Easter we have grown our number of key partners, these include a network of Multi Academy Trusts, Universities, Teaching Alliances, Curriculum Hubs and Research Schools. We are working collaboratively with over 25 expert partners across the region to bring you the very best Professional Development opportunities.

We are excited for what the next academic year brings and we are very proud to be working with over 185 Early Career Teachers and Mentors across the region in September for the Early Career

Framework Full Induction Programme. We are confident that Ambition Institute's programme design, centred around instructional coaching coupled with the granular approach to learning, will give Early Career Teachers the best possible start to their career.

We have a large number of colleagues interested in the reformed National Professional Qualifications starting in November. The fully funded Headship NPQ and the specialist NPQ in Leading Teacher Development are proving popular as is the new Leading Behaviour and Culture NPQ. The new qualifications are a great way to develop confident leaders to implement improvements and drive forward change in any school setting.

If you would like to find out more about our ECF, NPQ or additional Continuous Professional Development opportunities then please feel free to visit our new Teaching School Hub website, details

below, or call us on 01904 806900. Finally, we wish you and your students a fantastic summer break and we look forward to seeing you in September.

**Alexis Green-Harding**  
Director, Pathfinder Teaching School Hub

## Visit our new Teaching School Hub website

We are delighted to announce that our new Teaching School Hub website is up and running.

You can find up to date information on our Hub offer, including Initial Teacher Training, the Early Career Framework and National Professional Qualifications.

We are currently in the process of adding our Continuing Professional Development events for next term and we will also be sign posting the CPD opportunities being delivered by our Curriculum Hub partners. Visit the new website here: [pathfinder-tsh.co.uk](https://pathfinder-tsh.co.uk)
